**Queen Creek Accounting**

We specialize in affordable accounting for small businesses. We are in Queen Creek and serve companies in the Phoenix metro area, and around the country. Most businesses have the same routine accounting needs: Bookkeeping, Payroll, and Sales Taxes. We've developed a smart, streamlined process to make accounting simple and affordable. Our average client spends 15 minutes and \$150 a month on accounting. [Read More...]

**Our Services**  
We offer complete accounting services, including incorporation, accounting system setup, software training, and income taxes – business and personal. [Read More...]

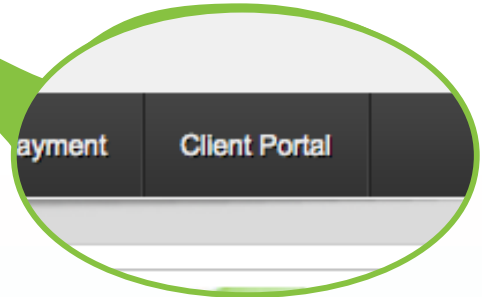

**Bookkeeping**  
Bookkeeping is the foundation of accounting. It's hard to run a business well without it. Each month we provide you with the financial statements you need to manage your business effectively. Good financial records become the basis of income tax returns and sales taxes. [Read More...]

**Payroll**  
We have a very simple web-based payroll program which allows you to log on from anywhere to process payroll. All you do is enter in the hours your employees work and we do the rest. [Read More...]

**Incorporation**  
Incorporating your business is the best way to protect your personal assets, it can also significantly reduce the amount of Self-Employment Taxes you pay. [Read More...]

**Sales Taxes**  
Contractors and businesses selling products have to pay Transaction Privilege Taxes ("Sales taxes") each month. The forms are not complicated and if your bookkeeping is in order it's not a difficult task – but it can be tedious and it comes around every month. [Read More...]

**Income Taxes**  
We have years of experience with income taxes. We can offer our small business clients great rates on Business Tax Returns because we will have become familiar with your business through doing the bookkeeping. [Read More...]
